Membership Fees 2009

At the recent Board meeting held in Windsor in November, and following another year of carefully controlled expenses and running costs, it was decided to authorise a rebate to be used against your fees due for 2009.

It was decided full members would receive a credit rebate of **GBP1000.00**, and Associate members will receive a pro-rata amount. This will be shown as a credit on your annual membership fee invoice, which will be mailed to you at the end of Dec 08.

A hard-copy invoice can be issued for any members requiring this document.

This newsletter is issued for the benefit and interest of all members and can open new relationships and opportunities for members. It is important any news-worthy items are advised to the IASA office so that they can be included in the newsletter, not just mentioned on your own websites, where they may not be seen by all members.

...I do appreciate your feedback.....
